From the Managing Director

Welcome Fire supporters, players and families to Stockland Stadium for the 2014 NPL Senior Round 10. I also extend a warm welcome to the Olympic FC and The Gap players, staff and supporters who have travelled here today.

Today we again have an opportunity to see the young developing players in women's football in action. At 10:00am our Under 13 Girls team will play Olympic, which promises to be an excellent display of football. Our U13 Girls are undefeated so far this season, and have secured some convincing wins over strong teams Redlands Untied and Palm Beach Sharks. A number of our players have been recently selected into the QLD State Team which presents a further opportunity to develop their skills. I wish the girls luck in their first Stadium game.

The Open Women's Team will take on formidable Brisbane team The Gap at 12:00pm. Our young team continues to develop each game and this will be a great test for them. Keep an eye out for goal keeper Renee Rudder and midfielder Isobel Dalton who have both recently stepped up to play for the Roar WWL team.

The First Team has had a rocky last couple of rounds against Redlands and FNQFC, however with the return of Captain Paul Arnison they will be looking to secure the three points against reigning NPL champions Olympic today. It promises to be a great contest.

Enjoy today's football!

Warm regards,

Noel Woodall

From the First Team Coach/ Technical Director of Coaching

Welcome everyone to Stockland Stadium.

Our U13 Girls are the first team to play today. You will be treated to the future of our female program and they will not disappoint. Four players from this squad have been selected to the QLD State Team and Meisha Westland is ready to be called upon as a shadow player. Coach Tom White is once again finding the correct formula, ensuring the girls play with the freedom needed to improve as players. The sessions I have taken for this group was very encouraging and in my opinion the girls' skill level exceeds their actual age; they demonstrated movement, touches and an appreciation of space beyond their years.

Our very young Open Women's team will play at 12:00pm. This is another exciting squad that has great potential. Just last weekend Isobel Dalton and Renee Rudder were called up to play for the Brisbane Roar Women's Team and by reports we've received they played very well. Today the Open Women's Team will face a club well-respected in developing players. The Gap currently sitting 4th on the ladder will be a stern test for our girls. Coach Dave Bensted will not deviate away from his desire to get the Fire team playing a possession brand of football and with Samara Christmas, Gemma Hauck, Kirsty Clifford effective players in the final third the Fire will pose a threat.

Last weekend the First Team had a bye and it was an opportunity for a number of players to return to their own age-groups for the fixtures against SWQ Thunder in Toowoomba. The U18 Boys struggled in the cold, windy conditions to maintain the standards set the week before against QAS, however still won the game 4-2. The Men's Youth side were quite simply magnificent; their football was played at such an intensity that SWQ Thunder found it impossible to keep up. The final scoreline was 2-10 in Fire's favour with Bryce Cuschieri, Jed Zanos and James Verdin all putting in impressive performances.

This week possess a big test for our First Team. Reigning NPL champions Olympic arrive at Stockland with a squad to the envy of every other side. They have ex-A-league players Tim Smitts and Matt Mundy, dangerous wingers in Danny Byrne and Reuben Way, quality in the middle of the park through George Barborouses and Terry Hughes and we have not even spoken yet of arguably the best player in their side - Japanese import Kazuya Ito. It will be a real test, however the whole week the squads have had the same atmosphere around them as when we faced Brisbane Roar and the Harimua Muda "A"; teams we gained positive results against. So I expect we will be under heavy pressure for long periods and no doubt we will have to ride our luck at times, however with Delahunty, Needham, Koshimizu and dangerous players on the bench I believe we will create some good goal scoring opportunities of our own.

Enjoy today's games,

Kevin A'herne-Evans

Fire Girls selected to QLD State Teams

Last week nine Fire Under 13 Girls and Under 15 Girls players were selected in their respective Queensland State Teams, the most of any Club across the two age-groups.

This is a great achievement for all the players and an excellent reflection on the junior program at our Club. In total, more than 30 Fire players across the boy's and girl's programs have been selected to trial for State Teams.

Fire Under 15 Girls Team

Aimee Scott, Hannah Taylor, Jazlyn Salih and Melissa Taft were selected into the Under 13 Girls Queensland State Team, while Meisha Westland was named as a shadow player. Aqua Meanie, Kirsty Clifford, Lisa van Hooijdonk and Michelle le Roux were selected into the Under 15 Girls Queensland State Team.

Sunshine Coast Fire Technical Director Kevin A'herne-Evans said this was a terrific achievement for these young aspiring footballers.

"These girls have worked hard both in training and on the pitch and their selection is a reward for this effort," he said.

"Congratulations also to Coaches Tom White and Jarrod Rodios and Assistant Coach Samara Christmas; the dedication of our coaches and their hard work with the teams are what make our youth development program successful."

"In conversation with Football Queensland we know that selectors are still observing a number of players in these age groups so there could potentially be more girls selected into the Queensland State Team."

Aimee, Hannah, Jazlyn, Melissa, Aqua, Kirsty, Lisa and Michelle will now start training twice a week with the Queensland State Team ahead of the National Championships which will be held in July.

Fire Girls selected to QLD State Teams

Fire Open Women's Team goal keeper Renee Rudder experienced the intensity of the Roar WWL first-hand last Sunday when she was invited to play for the team against Brisbane City Under 15 Boys.

Twenty-three-year-old Rudder, who joined the Fire this season after playing in America and for Brisbane Club Easts, stepped in to play while Roar WWL keeper Teagan Micah was out with an injury.

Rudder said Roar WWL coach Belinda Wilson had contacted her after watching the Fire Open Women's home game against Mitchelton in Round 4 of the SEQWPL. She then invited Rudder to play against Brisbane City at Spencer Park, where she joined fellow Fire player Isobel Dalton, who also regularly plays for the Roar.

"It was a great experience playing with the Roar WWL, and playing against the Brisbane City 15 Boys" Rudder said.

"The game was played at a very high intensity; the main differences between the Roar game and the SEQWPL games are that the boys were a lot faster on the ball and it was more difficult to judge the play."

Fire Technical Director Kevin A'herne-Evans said Rudder's invitation to play for the Roar WWL was a great achievement.

"Renee is an enthusiastic and technically sound goalkeeper," he said

"She has a firm understanding of playing out from back, which is a vital element of the Roar philosophy, and from all accounts she played very well on Sunday."

You can see Rudder play in the Fire Open Women's Team game against The Gap at 12:00pm today.
