Fire players selected into Queensland State Teams

This week nine Fire Under 13 Girls and Under 15 Girls players were selected in their respective Queensland State Teams.

This is a great achievement for all the players and an excellent reflection on the junior program at our Club. In total, more than 30 Fire players across the boy's and girl's programs have been selected to trial for State Teams.

Aimee Scott, Hannah Taylor, Jazlyn Salih and Melissa Taft were selected into the Under 13 Girls Queensland State Team, while Meisha Westland was named as a shadow player. Aqua Meanie, Kirsty Clifford, Lisa van Hooijdonk and Michelle le Roux were selected into the Under 15 Girls Queensland State Team.

Sunshine Coast Fire Technical Director Kevin A'herne-Evans said this was a terrific achievement for these young aspiring footballers.

"These girls have worked hard both in training and on the pitch and their selection is a reward for this effort," he said.

"Congratulations also to Coaches Tom White and Jarrod Rodios and Assistant Coach Samara Christmas; the dedication of our coaches and their hard work with the teams are what make our youth development program successful."

"In conversation with Football Queensland we know that selectors are still observing a number of players in these age groups so there could potentially be more girls selected into the Queensland State Team."

Aimee, Hannah, Jazlyn, Melissa, Aqua, Kirsty, Lisa and Michelle will now start training twice a week with the Queensland State Team ahead of the National Championships which will be held in July.

Thank you South's Strikers Under 10s

A big thank you to the SCCSA South Strikers Under 10s Team, who put on a great display of football in their six-a-side game before the Fire First Team took to the field on Sunday. The South Strikers players were also excellent ball-boys throughout the game. Well done and thank you!

ALL FEES PAYMENT PLANS NOW DUE

Could all parents/guardians who have entered into a payment plan or have an outstanding fees invoice attend urgently to the outstanding balances.

All plans/payments were to conclude by April 30 we note however that the Club has a significant fees balance outstanding. The non-payment of fees places stress on Club operations.

We thank those persons who have completed their plans for their co-operation.

Fire players invited to trial in the UK

Congratulations to Cameron Nairn and Adam Edgar, both from the Fire Under 16 Boys, who have both been invited to trial with teams in the UK over the past few weeks. Both boys said it was a great experience. Keep an eye out for a full story on the boys' trials in upcoming newsletters.

Spotlight on Jarrod Rodios Under 15 Girls Coach

How did you become involved in football?

Living with my Pop (a rugby league man oddly enough!) got me into football. He had me supporting his team, Manchester United, from as early as I can remember. I fell in love with the game, joined my local club at the age of 7 and now to this day football is still the biggest part of my life!

Which team is your favourite?

Manchester United and Adelaide United.

Who was your favourite player growing up?

David Beckham of course! I played the same position as him, wore the boots he did and even tried to get the Mohawk hair cut like he did (it suited him better)!

And your favourite current player?

I don't really have a out-and-out favourite player anymore, but I enjoy watching Marco Reus play for BVB and Juan Mata from Manchester United.

Which teams have you played/coached for?

I've played for Bosco United (N.S.W) and in QLD I've played for Buderim and Caloundra.

I have coached PLC School Open Girls team, PLC soccer U10/11/12/14's, Sunshine Coast Churches Rep U12 Boys and U16 Girls and Assistant Coached U16 Sunshine Coast Fire Boys last year.

What's been your best football moment?

My best football moment is hard to split between winning the Grand Final with Buderim and when John Aloisi scored the penalty to send Australia through to the World Cup. I screamed louder than a 12-year-old-girl at a One Direction concert when Aloisi slotted that penalty!

And best coaching moment?

My best coaching moment would be when my U14/15s team won the U17s league undefeated and the Grand Final.

What do you enjoy about coaching?

I enjoy the teamwork side of it, seeing a group of individuals under your guidance develop into a cohesive team unit on the pitch. It's a great feeling working on specific things at training and seeing them show in the games. I also love seeing players not only become better technically and improve their tactical knowledge but also grow as people.

You are coaching the Under 15 girls this year, how have they been shaping up?

The girls are shaping up well so far this year. Although going through a recent rough patch, they still sit second and continue to stay true to themselves and style of football we are aiming to achieve this year. I set the girls the challenge of implementing a more possession based style of football this year and they jumped on board eager and willing to learn and improve themselves and as footballers and learn more about the game tactically. It's been a pleasure coaching the girls so far and the fact that they will no longer just say "we didn't play well today" and are now able to pinpoint tactically what went wrong in different phases of play is extremely rewarding from a coaches point of view!

His favourite club is Mooloolah Valley and he lists fellow U15 Boys player Reis Hanton as his favourite player. Ty's best football moment has been scoring from a corner, and his worst has been thinking the ref called hand-ball and picking up the ball. This year he is looking forward to playing against Olympic. Ty's ambitions in football this year are to train hard and be rewarded on the pitch. His ultimate aim is to score as many goals as he can.

Fire players participate in Roar training session

Fire players Jack Williams (U11 Elite Academy) and Oli Williams (U13s) were lucky enough to get an insight into what it's like to be a Roar player recently.

Jack and Oli, long with 15 others, were invited by Coca Cola to watch the Roar train and have breakfast with the team.

The boys had a great time and relished the opportunity to meet players such as Matt Smith, Matt McKay and Besart Berisha (pictured, left, with Jack and Oli).
