From the Managing Director

Welcome all,

We have some great games of football today with the Women opening the day at Kawana Sports Precinct against Western Pride. The Under 18 Boys and Senior Men will match up against Redlands in the Stadium.

Our Under 18s put in a great performance against Roar last week but they will be looking to come away with some points against Redlands.

The Senior Men are hoping to capitalise on last week's hard-fought win against Brisbane Roar and move up in the rankings.

I would also like to thank everyone involved in the success of our April Holiday Camp last week which featured our new inflatable field. Keep an eye out for it in the future.

Best of luck to everyone today.

GO THE FIRE!!

Warm regards,
Noel Woodall

From the Technical Director of Coaching

Welcome to our visitors from Redlands who will be competing against our Senior Men and U18s Boys. We also welcome Western Pride who make the journey to play against our U13s, U15s and Open Women's team.

Firstly, I would like to congratulate Sam, Paul and all the senior staff and players for a well-earned win in a hard fought battle against a very tidy Brisbane Roar outfit, also I would like to say how pleasing it was to see four of our current U16s squad playing for Alastair in the U18s and putting a superb performance in against the Roar QAS Boys, although not the result Alastair was looking for but the performance was a testimony to the hard work Alastair and the U18s staff have been doing with the U18 squad.

As we head into today's games, the Senior Men and U18s have had a chance to dust off the cobwebs with last week's fixtures, but it will be good to have all the ladies teams at home against Western Pride. The U13 girls have done exceptionally well picking up some great wins prior to Easter, the U15 girls with new Head Coach Linley Archard at the helm are just beginning to find their feet as they look to push on. The Senior Women under the guidance of Tom White are looking to kick start their season today. Good luck to all the ladies.

In other news in the club, I would like to thank all the participants of our successful April Holiday Camp. The week was another major success. Please keep an eye out for our July Holiday Camp dates for our next program which will be advertised shortly on our website.

To finish off, I would like to wish all of our junior boys teams the very best of luck at the State ID Rounds at Dalton Park and Gatton, hopefully we will have a few more boys from Sunshine Coast FC flying the flag on top of our already selected boys and girls.

Best of luck to all teams today.

From the Senior Men's Coach

I would like to welcome all the players and staff from Redlands for the game this afternoon. After last week's game against the Roar, it was great to get out with a win. All the players worked so hard for the whole game and got the rewards. It is not very often that any part time players can claim a win against a pro team so well done to all of the players.

Today's game will be as tough as they come I have the utmost respect for the coaches at Redlands, we will have to earn anything that we get in today's game.

As always we will be going out to win the game, the good news is that Jez is fit but we still have two of our strikers that are out injured. We are hoping that both will be fit for next week's game. Lets hope for a good game for all the fans that will turn up to watch the game.

From the Under 18 Boys' Coach

Good afternoon all, and thank you for coming to support the Sunshine Coast Fire sides today. I would like to welcome the Redlands for todays game against our Under 18 side.

I am sure they will bring a well organised side who will not be short on talent. With the improvements our 18s have been making from week to week I am sure it will be a well contested match, fitting for the stadium.

The Fire U18s have played well in our last two outings but have failed to take any points from those games. I am sure that if the boys keep playing that way and are strengthened by returning players the results will come. What is assured is some great football from a side who like to get the ball down and play.

I would like to thank those involved in giving us the pleasure of playing at the stadium and hopefully we can reward you by putting on a great game featuring some of Queensland's best young football talents.

Regards,

Alastair Lackie
Under 18 Boys Coach

Fire juniors impress Queensland selectors

The success of Sunshine Coast FC's player development system and PlayStation® 4 NPL Queensland pathway continues to be proven as 11 players have been selected for Football Queensland's Skills Acquisition Program Camp.

Just over half of Fire's Under-12 Boys team have been selected so far including, Kyan Bryant, Samuel Klein, Dimitri Westwood-Pritchard, Kane Gibbs, Maxx Demerutis, Flynn Faulkner, Kyle Barnes and Ben Nassiep.

Each of the boys progressed through Sunshine Coast FC's Elite Academy and SAP programs over the last several years to finally start their first season in the PlayStation 4 NPL Queensland Under-12 Boys team in 2016.

The Fire Under-12 Boys' team have racked up 42 goals in their last five games and their hard work is paying off as their selection signifies them as being among the best players in Queensland for their age group.

Kyan Bryant was in Sunshine Coast FC's Elite Academy for two years and SAP academy for one year prior to successfully trialling for the Fire Under-12 Boys.

"I loved being at Elite Academy and SAP; the coaches taught me a lot, like better passing, shooting, control and being able to run with the ball better," Kyan said.

"I really like playing for Fire, we've been doing pretty good so far and I'm excited for the rest of the season," he said.

Kyan's mum, Alinda Bryant commends the Club's coaching staff for their approach to development coaching.

"Fire has offered Kyan a lot of opportunities for a variety of training with experienced coaches throughout the last three years," Alinda said.

"The different styles of coach training has been excellent in developing him as a more rounded player and ultimately allowed him to become part of an NPL team this year," Alinda concluded.

FOX Sports to Highlight Pathway

Queensland's most promising young PlayStation 4 National Premier Leagues talents are set to be the focus of a new Fox Sports series.

The eight-part series will be called 'PS4 Player Pathway Ones to Watch' and will be hosted by football pundit and Fox Sports presenter Adam Peacock.

The series announcement coincides with today's announcement of the PS4™ Player Pathway Award which will provide three Queenslanders join 21 others from around the country in the chance to earn a two-week trial with Hyundai A-League club Sydney FC.

Peacock said the series will be about more than just statistics and skills and he is eagerly anticipating the chance to shine light on talented players across Australia.

"I am really looking forward to following the PS4 NPL talent as part of the Ones to Watch series because football is about more than just a sport – it's about the players' stories, the communities, the determination and the passion for our beautiful game," said Peacock.

"There is no better place to capture this spirit than on the regional football pitches around Australia."

"The PS4 Player Pathway initiative is exactly what grassroots football deserves to ensure no talent slips under the radar," he concluded.
