From the Managing Director

Welcome all,

It's great to have the Under 18 Boys and Senior Men back at home this weekend in what is shaping up to be an exciting day of football.

The Under 18 Boys will be looking to turn their luck around today with a win over Moreton Bay, who are sitting at seventh place while our boys sit in ninth.

The Senior Men are hoping to bounce back from a disappointing result last week. They will have their work cut out for them going up against the 2015 Champions/Premiers, but I think they're up for the challenge.

I would also like to encourage parents to register your children for our next Holiday Camp which will take place from 4-7 July.

Best of luck to everyone today.

GO THE FIRE!!

Warm regards,
Noel Woodall

From the Technical Director of Coaching

A warm welcome to our neighbours from Moreton Bay. Sam and Paul have been working extremely hard with the Senior team, hopefully today will be an opportunity to find some momentum again to get the squad moving up the ladder. Whilst Alastair and John have also been working hard with the U18's to get them going, good luck to both teams today.

In and around the club, our free in-schools initiative, which is part of our talent identification and outreach program was rolled out for 2016 and has proven to be a huge success. We have identified a number of boys and girls at various age groups to bring in to our system and on the talented player pathway. If you are attached to a school and would like to receive more information please email admin@sunshinecoastfc.com.au

Dan Carswell who is our Academy Director has done a fabulous job in streamlining our Elite Academy program and is now seeing a quick upturn in numbers and quality. Dan is another member of staff who has been actively recruiting the next generation of talent on the coast, if you have a child male and female who is between 6 – 11 years of age and may be interested in trialling for the Elite Academy please email Dan on academydirector@sunshinecoastfc.com.au

We have two of our U13's girls players who have been selected into the State U13's squad to compete in the Nationals at Coffs Harbour later in the year. Audrey Upson and Jordyn Weckert have proven that Sunshine Coast FC not only produces talented young men, but talented young female players too. Our congratulations go to both players as we wish them well. It is testament to our U13's coaches Abbi Wilkes and Tom Greig who have worked tirelessly with the girls as a whole. In addition to this we are actively starting our recruitment process now for our SAP U10's, U11's combined, U13's & U15's girls squads for the 2017 season, if you are a player in these age groups or are a coach, parent or guardian of a player in these age groups and would like to recommend a player, please email admin@sunshinecoastfc.com.au or abbi@sunshinecoastfc.com.au

Finally our July Holiday Camp dates are now up on our website www.sunshinecoastfc.com.au the dates are 4th – 7th July inclusive, we expect our normal huge influx of players so be sure to get in early to avoid disappointment.

Enjoy the games.

From the Senior Men's Coach

I would like to welcome all the players and coaching staff from Moreton Bay United for today's game. After playing Strikers last week, which was a tough game we now take on last season's champions and grand final winners; the tough games just keep on coming.

We will have be on top of our game for the full 90 minutes today to get anything out of it. We will be going into the game trying to win it. We will show respect to Moreton Bay United as champions but we need to play our game, work hard and take our chances when they arrive.

Westfield FFA Cup Dates Confirmed

The dates are confirmed for Queensland's PlayStation 4 National Premier Leagues clubs as the second-tier sides ready their Westfield FFA Cup 2016 campaigns.

The Preliminary Round 5 matches mark the entry point for PlayStation 4 National Premier Leagues clubs into the national knock-out competition, which is now in its third year.

All PlayStation 4 National Premier Leagues clubs – which comprises the national second tier of Australian club football – face off against local community clubs from lower tier competitions in a series of David-vs-Goliath battles.

Matches featuring PlayStation 4 National Premier Leagues clubs will be contested in seven Queensland cities over the course of three weeks.

The matches will determine the last remaining club in this year's competition from five qualifying zones – Gold Coast, Sunshine Coast, South West Queensland, North Queensland and Far North Queensland.

Two teams from regions outside Brisbane will ultimately advance to the national Round of 32 – one from the state's north and the other from the state's south.

In the Brisbane Zone, results from Preliminary Round 5 will reduce the number of remaining clubs to eight – with the draw offering the possibility of all six PlayStation 4 National Premier Leagues clubs in the zone advancing to the next round.

PlayStation 4 National Premier Leagues clubs across Queensland boast a mixed history in the Westfield FFA Cup since the competition's inception.

Gold Coast City (who previously competed under the name Palm Beach SC) are Queensland's most successful club in the competition – twice reaching the national stages and twice advancing further than Hyundai A-League powerhouse Brisbane Roar.

FNQ Heat and Brisbane Strikers have also twice reached the national stage of the competition, while Olympic qualified in the competition's inaugural year in 2014.

The remainder of Queensland's PlayStation 4 National Premier Leagues clubs are seeking to reach the national stages – and a potential match-up against Hyundai A-League opposition – for the first time in their histories.

While Sunshine Coast FC, Western Pride and Brisbane City are seeking their first ever wins in the competition after twice being eliminated at the first hurdle in the past two years.
